

Preschool

Community Christian Preschool has been designed to provide a safe, creative and intellectually stimulating environment for your young child (an atmosphere of respect and loving appreciation for each person, and the wonders in God's world that surrounds them).

Pre-reading skills, writing skills, pre-math skills, crafts, music and Bible stories are all a part of your child's learning experience here at CCS. We offer state-licensed care, qualified early childhood teachers and a wonderful park-like playground.

Elementary School K-6th Grade

CCS offers an advanced academic program that emphasizes the basics of education: Reading, spelling, phonics, literature, math, history, science and handwriting. All of these subjects are taught from Christian curriculum with a Biblical worldview.

Your child's learning time is enriched by music, art, drama, physical education and field trips. Daily Bible lessons, weekly chapels and Biblical character traits reinforce character development and Christian values.

Junior High

Community Christian Junior High creates an environment where young people are involved in the process of becoming all that God intends them to become. We provide a program of academics, social interaction, weekly chapels, and character trait education, as well as encouraging inquisitiveness, self-confidence, and responsibility while keeping our focus on Jesus Christ. It is our desire to nurture and prepare your student to deal effectively with the issues of life from the foundation of Biblical truth.

*Helping children
achieve academic
excellence in a safe
environment.*

CCS Mission Statement

The mission of Community Christian School is to educate and develop the whole student for the glory of God. The school adheres to a Christ-centered curriculum presented in a disciplined, caring atmosphere. CCS addresses educational practices from a Biblical perspective, encouraging your child to be a productive, responsible citizen with a dynamic Christian worldview.

This helps give your child a positive identity, and a real sense of purpose and value. Across all levels, our students enjoy a structured and balanced educational program of academics, computer technology and enrichment activities to round out and compliment our curriculum. We pray that our program provides an environment in which students are able to develop a love of learning.

Annual Fees

Curriculum *

Kindergarten	\$250
1st – 8th Grade	\$350

* Book fees will be billed to you on July 1st and due by July 30th.

After School Care* \$5.00/hr

Hrs: M-Th 3:15-6:00 F 12:15-6:00

This service will be offered based on the number of contracted hours per student, and the number of students needing this service.

* Please see administrator for full details.

Electives & Field Trips

We offer electives to our Junior High students, and there may be an additional charge for these electives.

We are blessed to offer a variety of field trips during our school year. Field trips almost always have an additional fee associated with the particular trip we may be taking.
